CHERRYWOOD MILKING SHORTHORNS

BEING NAMED CITIZEN OF THE YEAR HAS MADE THIS YEAR'S CONVENTION VERY SPECIAL. WE FEEL THIS IS ONLY POSSIBLE WITH THE ASSISTANCE AND FAITH FROM ALL THE MEMBERS OF OUR AMSS. THROUGH THE YEARS WE DEPENDED ON OTHER MEMBERS TO MENTOR OUR KIDS, AND WHEN THE OPPORTUNITY CAME, WE PUT ALL WE HAD INTO THE JUNIOR SOCIETY. THIS IS WHERE WE HAVE PROUDLY SERVED, HELPING TO CULTIVATE THE NEXT GENERATION. TO ALL WHO HAVE CONTRIBUTED TO THE AMSJS - IT IS GREATLY APPRECIATED. EXTENDING OUR CONGRATULATIONS TO TRAVIS MARAK ON RECEIVING THE HARRY CLAMPITT YOUNG BREEDER AWARD AND THANK YOU TO HIS FAMILY FOR THE TOUR. AGAIN, WE THANK THE BREEDERS OF THE RED, WHITE & ROAN FOR THIS HONOR.

Executive Director's Column . . .

Not having traditional conventions for a few years didn't make it easy for our juniors to excel and be recognized, and it's taking a bit to get back into the habit of robust youth events at convention. Our kids fully rebounded this year! It was so much fun to watch them interact and make friends. There was a lot of laughter and support of each other. Please take time to read the comments from our Ambassador team. These four young breeders are dynamic and will help take this Association into the future.

We started the new classification program with the Holstein Association in June. We're sure experiencing the growing pains; yet I can confidently say that so far, each month has gone a little smoother than the previous month. Please do take time to look over the schedule that is posted on our website. The larger states are also scheduled by counties, so I need you to be diligent in meeting the sign-up deadline for your rotation. The Holstein Association has been very gracious to accommodate some late sign-up as we've acclimated to the new process. That will come to an end quickly, and late fees will be enforced going forward. If you have questions, please contact me.

Katie Schmitt from the Council on Dairy Cattle Breeding (CDCB) gave a presentation at the annual meeting explaining the different functions of the Council. Katie is the new Outreach Specialist for CDCB, and part of her responsibilities is to coordinate with the small dairy breeds groups. Katie challenged the ABA to identify five traits for CDCB to help us track breed progress. After considerable discussion, the board of directors voted on the following list in priority order: 1. Components; 2. DPR, 3. Productive Life; 4. Calving Ease; and 5. Lactation Persistency. We will share our progress as we go along.

I wish you all a successful fall season and lots of advancement in your own goals for progress. ■

Becky Payne

Change is in the air, and I have to keep reminding myself that I need to embrace it to see progress. It's been a year full of challenges, and looking back and appreciating the small victories is my way of recognizing progress.

This issue of The Angle features many of the highlights from convention. Congratulations to the Maryland Ayrshire Breeders' Association for a successful event, and thank you for the fantastic hospitality we all experienced! I also need to express my appreciation to the Ayrshire Breeders' Association Board of Directors who generously give of their time and talents to benefit the Association. It's my pleasure at each convention to recognize outgoing directors for their service, and to congratulate newcomers. I said it at convention, and I want to give kudos again in my comments. Thank you to our out-going President Tom Gillette and Immediate Past President Mark Valentine. Both of these men have been of special service to me and the Board of Directors during covid and the resulting unique challenges we've faced the past several years. You both are so appreciated!

I wish you all could have been with our youth at convention. They were fun, amazing and another reminder to me of progress.

The President's Message . . .

Let's Get Inspired!

I'm sitting on our front porch, celebrating that we finally got rain and crops are growing, listening to music and reflecting on what a fabulous year the Ayrshire Breed has had so far. We all have so much to celebrate and appreciate! One just has to look around, and

there is always something to be grateful for and appreciate.

We just had another successful National Ayrshire Convention hosted here in Maryland. Meetings are a huge part of the convention, but the fellowship and camaraderie of our Ayrshire breeders is one that I love observing and being a part of. With Ayrshire enthusiasts from 17 states, three countries and over 160 attending the convention, we sure brought the Ayrshire cow and her people to the center stage. Learning is growing, and having fun while learning makes growth so much more worthwhile and memorable.

Now let's talk about the incredible National Ayrshire Convention Sale. Boy oh boy, was it a great line-up and the numbers speak for themselves. The high seller sold for \$10,000.00, four lots over \$9,200.00 and the sale average was \$4,669.82. On top of that, we added in a few new Ayrshire breeders to our growing family.

We now have six National Ayrshire Shows for our breeders to exhibit their cattle. That's a win-win in my book, and it also shows that we have a lot of breeders who want to exhibit their beautiful Ayrshire cattle!

Ayrshires are everywhere and in sales from coast to coast. They are proving their worth and value, and the girls are getting the attention that they deserve. With that said, it's time to focus on the positives around us - the cow families that continue to put out

progeny that are producing in the milking parlor and winning in the show ring. I have always felt that a good cow family started out from one good cow and a great breeding program. We all have the ability to produce a great one; you just have to believe in yourself, be honest with yourself and put in the work to produce a legacy cow.

I love talking with fellow Ayrshire Breeders at conventions, shows and on the phone; and I truly feel that everyone has something worthy to share! Share your knowledge with that young breeder who is just getting started; be honest and kind in your words. Writing this is making me think of my buddy Michael Heath, who we sadly lost in a farming accident this past year. After Michael's passing, we all shared stories about him and how he was such a great influence to fellow breeders and youth. He would go to that farm that everyone told him, "Oh there ain't nothing there"; and he would find that gem and/or talk to the breeder about their breeding program and bulls he thought they should try. He spoke to people in a caring fashion, with no arrogance or prejudice. So, "BE Like Michael". Encourage and support your fellow Ayrshire breeder. For every time we have a great Ayrshire Cow, it makes our whole breed better, it makes us all better! My Mom and Dad taught me that you don't have to put someone or something down in order to lift yourself up. Stand on your own merit, work hard and follow your dreams! I taught my children and all of my 4-H children that confidence is admirable and arrogance is ugly. Win with grace and loose with grace, your character is yours and yours alone.

Let your actions inspire others to do better, be better! ■

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader." –John Adams

PRESIDENT'S CORNER...

Thank you, Oklahoma, Texas, and Arkansas, for hosting a great convention. It is important to come together for fellowship and the common goal of moving the AMSS breed forward. We had a very productive annual meeting with great discussion.

The board of directors continue to look for ways to improve our bottom line. We are grateful to those who purchased raffle tickets and to the members of our finance committee, who ran the raffle. In addition, congrats to our three top raffle winners! Stay tuned for more information about our online holiday fun auction.

This fall, AMSS will be vacating the office space in Beloit. Our office manager, Kathy Lynch, will be working from home effective December 1, 2023. This will be a huge undertaking but will ultimately save us money in the long run.

It has been great seeing the results from

the spring and summer shows. Breeders are doing a great job promoting their Milking Shorthorns. Speaking of promotion, be on the lookout for more ways YOU can promote your herd via the AMSS website as we develop new advertising pages.

I would like to thank the AMSS board of directors for their vote of confidence as I serve as the AMSS President. I am confident this will be another great year for the Red, White, and Roan.

Safe travels to all during the national show season. ■

FROM THE EXECUTIVE SECRETARY . . .

AMSS breeders gathered in June in Norman, Oklahoma for a convention filled with comradery among fellow Milking Shorthorn enthusiasts. The hospitality was exceptional, the laughter abundant, the stories plentiful, and there was some hot weather.

Webster's defines the word "change" as, "to make (someone or something) different; alter or modify." The American Milking Shorthorn Society (AMSS) has

decided to make some changes to help our organization move ahead in a more positive direction. During the meeting in June, the board decided to close the national office. Effective December 1, 2023, Kathy will work 100% from home. At the end of 2023, both she and I will be fully remote. Between now and December 1, we have the daunting task of clearing out the office. The new address for the American Milking Shorthorn Society will be posted in the Angle, on the website, and on Facebook soon. I encourage everyone to start using the new address ASAP!

Classification is still a hot topic for the AMSS. We continue to have breeders signing up for classification incorrectly. We need everyone to fill out the classification form - even if you have Holsteins! Signing up other breeds for classification does not mean your Milking Shorthorns will be classified. I am putting together addition-

al information for breeders and reminder emails will be sent soon.

As an additional reminder: If AMSS does not receive your application by the first of the month we will be assessing a late fee of \$100. This will be strictly enforced. Kathy sends invoices for deposits, please pay these deposits.

The fall show season brings excitement and wonder. I look forward to seeing the best of the best Milking Shorthorn cattle, meeting new breeders and catching up with AMSS members. Please visit Kathy and I at the booth during World Dairy Expo. I will be traveling to the Eastern National in Harrisburg as well as the Winter National in Louisville.

Please reach out if I can be of any assistance. I appreciate all the Red, White, and Roan experiences. ■

Hello everyone! I am ecstatic to be serving as your new American Milking Shorthorn Junior Society President! I live and work on my family's dairy farm in Neillsville, WI, Elm-Roc Dairy, where we milk about 50 registered Milking Shorthorn and Holstein cows. Of the approximate 100 head of cows and youngstock on our farm, I own around 30 head. Some of my favorite things about living on the farm are watching my heifers mature into beautiful cows and working with my cattle. This fall, I will begin classes at Chippewa Valley Technical College to earn a degree in Animal Science.

I enjoy showing at various shows around the midwest. A few that I attend are my county fair, Central Wisconsin State Fair, Midwest Quality Colors Spring Show, AMSJS National Heifer Show, and World Dairy Expo. Along with showing my cattle, I also love to work at the Wisconsin Dairyland Milking Shorthorn Sale each spring. My very first calf, a late April born calf, came from this sale when I was 8 years old.

I am very honored to have this opportunity to serve as President for this wonderful breed and would like to congratulate some awesome fellow junior members on being recently named our new officers! I am excited to team up with them to ensure a successful year.

Queen Savanna Semrad

My name is Savanna Semrad and I am currently serving as the 2023-2024 National Milking Shorthorn Queen. I am from the small town of Crescent, Oklahoma. I am a Junior at Crescent High School. After high school I plan on attending college to obtain a Bachelor's degree in agricultural economics to become an agricultural loan officer. I have a small herd of Milking Shorthorns that I breed and show at all levels. I am looking forward to representing the Milking Shorthorn breed and meeting with breeders while touring farms. ■

AMSJS REPORTER

LIBBY HASHEIDER

Hello fellow Milking Shorthorn Breeders! My name is Libby Hasheider and I am so excited to be serving as your 2023-24 Junior Society Reporter. I reside in Sauk City, Wisconsin with my family where we raise Milking Shorthorn cattle and registered sheep. This

year, I will be a junior at the University of Wisconsin-River Falls (UWRF) majoring in Agricultural Education, with a minor in Dairy science. I hope to teach agriculture courses at the high school level upon graduation. I also hope to continue breeding Milking Shorthorns and providing opportunities for my future students to get involved in the dairy industry!

Growing up, I've always had a soft spot for the Milking Shorthorn breed, which has only grown with time. Though many of my favorite moments have been spent in the show ring with the red, white, and roan, I've found my fondest memories are those from the farm each day. From a young age I farmed alongside my family. Through those experiences, tradition has become extremely important to me.

There's no greater use of time than spending hours with dairy cattle, and of course with the dedicated individuals who raise them. I can't wait to continue networking with you all throughout the year and sharing the amazing stories of our junior members. ■

THE LISTENING *Effect*

“WE WERE GIVEN TWO EARS AND ONE MOUTH FOR A REASON. WE SHOULD LISTEN TWICE AS MUCH AS WE TALK.”

Katie Schmitt joined the Council on Dairy Cattle Breeding in the spring of 2023 as the Outreach Specialist to support Ayrshire and Milking Shorthorn breeders and the Dairy Breed Improvement Collaboration.

We've likely all heard this age-old adage. That pledge is guiding the Council of Dairy Cattle Breeding (CDCB) as we work to strengthen our partnership to help you, as Ayrshire and Milking Shorthorn breeders, achieve your genetic vision and goals.

This summer, I traveled across the country attending national breed conventions while many CDCB colleagues presented at the American Dairy Science Association in Ottawa, Ontario. At each convention, we discussed current research, improvements coming to dairy cattle genetics, and the importance of farm data. In my role as CDCB Outreach Specialist, I had another mission in mind. Surrounded by dairy cattle breeders, I made it a priority to listen more than I spoke.

When I did this, I learned incredible insights from breeders. Your Ayrshire and Milking Shorthorn associations welcomed me with open arms and displayed a deep desire to continue the breeds' genetic progress. I asked those in attendance at the annual meeting to complete a brief survey to share their thoughts and experiences with CDCB. All breeders can complete the 10-minute survey for a chance to win \$100 here <https://form.jotform.com/231566188631158> or by scanning the **QR code**. The results of this survey will help guide CDCB into the future, so I thank

you for your time and insight.

During the annual meeting, I also spoke about the Dairy Breed Improvement Collaboration that your associations are involved in through CDCB. The collaboration focuses on the breeds of Ayrshire, Brown Swiss, Guernsey, and Milking Shorthorn, and it is best explained through the three key objectives of the project.

Objective #1

Facilitate greater participation in programs that support breed improvement – identification, registration, type classification, dairy herd improvement (DHI), genomic testing, and NAAB cross reference. This objective is designed to increase the reliability of evaluations for these breeds through increased data collection and data flow.

Objective #2

Offer value-driven access to CDCB genomic evaluations for bulls of smaller-population breeds. To accomplish this, CDCB is subsidizing \$400 of the \$800 AI Service Fee assigned to US-born Ayrshire, Brown Swiss, and Guernsey bulls who are marketed using their genomic evaluation. Milking Shorthorn is excluded from this objective because genomics have not yet been developed for the breed, therefore the fee is not applied to Milking Shorthorn bulls.

Objective #3

Provide technical support in genetic improvement strategies through the development of a full-time outreach position at CDCB.

In support of the Dairy Breed Improvement Collaboration, all breed associations involved (U.S. Ayrshire Breeders' Association, National Brown Swiss Cattle Breeders' Association, American Guernsey Association, and American Milking Shorthorn Society) have formally agreed to adopt the following practices:

1. AI bulls must be genotyped to be registered by the association.
2. Progeny of AI bulls can only be registered if the sire enrolls in the NAAB cross reference program.
3. AI bull's dam and sire must be registered.

While this season of breed conventions has been an incredible asset in establishing healthy feedback loops between dairy producers and the genetic evaluation system cared for by CDCB, our work is not done. The next step is to take this “informal” data gathered at your convention and combine it with survey data you provide so that CDCB can better serve you, your breed, and the dairy community. I look forward to what we can accomplish together through the Dairy Breed Improvement Collaboration and beyond!

From the NATIONAL AYRSHIRE AMBASSADOR

Hello, my name is FaithLynn Moore. At the 2023 National Ayrshire Convention, I was elected to serve on the 2023-2024 National Ayrshire Ambassador team as one of the ambassadors. For the following year, each quarterly issue of the

Angle will include an introduction and article from a member of the ambassador team, including the two ambassadors and two delegates.

Since 2018, I have been an active member of the Maryland Ayrshire Breeders' Association. I have served terms as the junior association Reporter, the Maryland Ayrshire Queen and the Maryland Ayrshire Ambassador. I am currently a senior at Delaware Valley University where I am majoring in animal science and minoring in agribusiness management. At DelVal, I am active in the collegiate FFA chapter, serving as the chapter Treasurer, as well in Dairy Society, also serving as club Treasurer and as a Green and Gold dairy sale chairman. Upon graduation, I hope to obtain a career that is fulfilling and beneficial to the advancement of the Ayrshire breed.

There are many things about the Ayrshire Association and breed that I like to brag about. She is a vigorous cow complete with great components, with even better breeders standing behind her. The breeders that make up the Ayrshire Association are like no other. They offer a sense of perseverance in difficult times and strive to ensure the promise of a better tomorrow for the youth.

Quiz bowl, jeopardy, a scholarship contest, the ambassador contest, and as mentioned in the last Angle, the leasing program, are just a few of the opportunities encapsulated within the Ayrshire Association. I have participated in many of these activities and grown exponentially as a result. However, I would not have been able to take advantage of these offerings of the Association had I never been a "lease kid". I am proud to say that the best parts of me are products of the Ayrshire leasing program offered by Mark and Jessica Valentine of Vales-Pride Farm.

I did not grow up on a dairy farm, but I got to one as soon as possible. Because of the humbleness of the Valentine Family, I established my college major, career path and ultimately my greatest passion. The opportunities and lifelong attributes that leasing Ayrshires has bestowed upon me is an exponential list. I am a better leader, better student, better employee, and better friend. I am a better person because I learned how to work hard, talk to others, be an advocate, and how to win and lose.

As previously mentioned, this year's ambassador team has two ambassadors, due to a tie, and two delegates. All four team members started out as "lease kids". For the Association, leasing can be a great way to welcome youth who can become outstanding representatives of the breed, advocates for the association and eventually additional Ayrshire breeders. Leasing increases active membership, which is of critical importance to our Association.

I encourage Ayrshire breeders to offer juniors the opportunity to become a better person. Reaching out to local FFA and 4-H clubs is a great way to extend your offer of leasing a calf to youth. Leasing Ayrshires is an unmatched experience that anyone interested could benefit from, and I hope my perspective on the program can be of benefit.

*Respectfully submitted,
FaithLynn Moore*

2023-2024 National Ayrshire Youth Ambassador

Congratulations to the 2023-2024 Ayrshire Ambassador/Delegate team!

In a first ever, we had a tie for Ambassador. From left to right we have Delegate Justin Dewees from MD, Ambassador Faithlynn Moore from MD, Ambassador Lydia Rasmussen from WI, and Delegate Ava Kaskela from PA. They are wonderful representatives of our breed and we are excited to get them out on the road this year.

THE AMSS WILL HOST THE ANNUAL ONLINE FUN AUCTION

November 27-29, 2023

PLEASE CONSIDER
DONATING ITEMS OR
SHOPPING THE
AUCTION!

All proceeds benefit the
AMSS General Fund

Rules:

1. **Entry fee of \$35 must accompany this application. Accounts will not be credited if animal is not nominated.**
2. Exhibitor must completely fill out an official entry form listing all shows in the U.S. where the animal was shown and correct placing for each. Omissions and/or errors brought to the attention of the Ayrshire Breeders' Association and verified by the ABA may be disqualified.
3. A Canadian entry which qualifies under these rules at a U.S. show may enter. Only U.S. placings shall be listed on the

entry form.

4. Judges may declare "no contest" for any class in which the numbers and/or quality of photographs would justify such action.
5. First place fall national show winners will no longer be considered as automatic nominations.

Any entry not adhering to the above rules will be returned to the exhibitor.

Photographs:

1. **Entry must be accompanied by one unretouched (including background) glossy professional photograph (no negatives) 5 x 7 in size or high resolution photographer digital scan.** Photo must have been taken during the 2023 calendar year and show the entry in substantially the same stage of development or lactation as when judged. **Photo must represent the class she was shown in & AA contest entry class.** Photo may be sent directly to the ABA by the photographer.
2. The picture must be identified with the complete name of

animal. If mailed, heavy cardboard will ensure safe delivery. The photo will not be returned except by request and will remain on file at the ABA office.

3. Responsibility for obtaining and paying for photos of each entry and delivery to the ABA within the specified time rests entirely upon the exhibitor. If the photo is on file at The Angle, please specify.

Photos, fees and entry forms must arrive to the ABA by the deadlines announced!

Judging:

1. Official judges will consist of a panel of the national show judges, two judges from the largest state or regional shows per ABA region and one at-large judge.

2. A point system of 1 through infinity will be used for judging, with the low score determining the winner. In the event of a tie, the most number 1 votes wins.

LANDRUM'S MILKING SHORTHORNS
GUILFORD, INDIANA | 812-487-2612

AMSS *Citizens of the Year*

Their prefix began when a brother and sister had dreams of breeding, raising, and showing Milking Shorthorns. They not only succeeded but passed that well-known and successful name and work ethic down to future generations.

The sister stayed incredibly active with Milking Shorthorns, especially within the American Milking Shorthorn Society.

Some of her involvement:

- Showing at local, state, and national shows, including winning the Kitchell Sayre Sportsmanship award at World Dairy Expo
- Attending more than a few national conventions
- Consigning to numerous sales across the country
- Hosting state picnics and meetings
- Serving on committees at the national level
- Representing the AMSS as a former Milking Shorthorn queen

She met her husband in college. Together they raised hard-work-ing children. The kids loved (and continue to love) to show and

attend other events, and as we all know, it takes a team – both at the show or event and at home - to make that work. Mom often went with the kids to the show or convention while dad stayed home to make those promotion and networking oppor-tunities a reality. He often works with the kids at home to prep the animals and is always so excited to hear all about the show or convention.

One word kept popping up in their nomination – dedication – to their children, to the society, and to the cattle. While they have moved a bit around the country, they have always focused on wanting their children (and other youth) to work hard and accomplish as much as possible through Milking Shorthorns. As her close friend and classmate from Iowa State stated, “what a dynamic and perfectly blended duo...for developing their children into incredible leaders for the dairy industry for many, many years to come.”

On behalf of their 11 children, congratulations to the 2022 AMSS Citizens of the Year, Craig and Cindy Achen!

Harry Clampitt *Outstanding Young Breeder*

Like many farm kids, this young Milking Shorthorn breeder spent their childhood surrounded by small town, rural America. The hometown has hovered around 1,000 residents for the past several decades. While they may have grown up a small town, farm kid, this kid had a curiosity and thirst for knowledge that led them to all corners of the world after college: Peru, New Zealand, Australia, and Russia.

It wasn't until his dad was ready to quit, after three generations of family farmers, that he realized he wanted to come home. He wanted to continue the legacy his great-grandfather started in the early 1900's.

The young breeder admitted that after working on several farms overseas, it wasn't until he left his family's operation that he began to understand how food was produced and moved from the farm to the consumer. Wanting to make a difference, he applied the mindset, "Think globally, Act locally." That is when he decided to return to his roots and expand his family's farm ... and the idea of keeping the tradition that had been started by those who had come before him.

He returned to the farm in 2014 and began to help manage their herd of Milking Shorthorn. He believes they do well in a grazing operation where the cows have a good lifespan and calve easily. In addition to the dairy herd, they contribute to the state's growing "local food" movement by raising tomatoes, potatoes and okra.

In 2016 the family began bottling milk, merchandised locally and beyond.

In this young breeders words:

"There are obviously easier, less-demanding jobs out there, but I always knew I'd regret not being on the farm when I looked back on my life."

Congratulations, Travis Marak, the Harry Clampitt Outstanding Young Breeder Award winner.

THE LUCKIEST girl in the world

“I am the luckiest girl in the world – To be with the cattle and to go to so many places with them and to be on the farm my whole life.” -Shirley Harris

Shirley Harris’ father, Mike Weidner, began the herd in 1929 and began going to the state fair (Illinois in 1933). When Shirley was young, Mike had three herds at various fairs around the country. One as far away as the Cow Palace in San Francisco. He had a white herd, a red herd, and a roan herd.

The love for Milking Shorthorn came from an early age. Shirley would often ask her daddy (as she called him) if she could go with him to look at the cows and most of the time he would say, “yes.” They would look at the cattle and try to decide who was going to the fairs.

Even at five years old, and with a broken arm, she showed her heifer in 1940 with a sling.

Shirley was particularly devoted to the bulls. When asked why she said, “When the cattle do as well as they do, you want to keep that going.” The bulls became her passion. And one, Prairie Monster, was undefeated even at his last show at the Illinois State Fair. At that time, the bull was 19 years old. “Winning makes you want to keep winning bull classes and breeding champions,” said Shirley.

In 1980 her father was physically not able to maintain the herd and was considering selling the cattle. Shirley said, “Oh Daddy you can’t do that, let me take over the herd.” Mike asked, “Do you think you can do it?” Shirley said, “I know I can.” He said, “I know you can too!”

Forty-three years later, Shirley still has 60 head of Milking Shorthorns and Weidner Prairie Farms has had 36 National Grand Champions. The competition was always a driving force for her winning. She has also said, “If I could, I would do it all over again. All I need to know about life, I learned from a cow.”

Shirley Harris looks at a photograph of herself at 5 years old at her first Illinois State Fair, showing a Milking Shorthorn calf. The picture is part of a banner that celebrates the Weidner family’s 85 years of showing at the fair in 2019. Photo by Phyllis Coulter

MATRIARCH RAKES IN AWARDS FROM SEVEN DECADES OF SHOWING

By: Phyllis Coulter

DALTON City, Ill. — Mike Weidner started showing his Milking Shorthorn cattle at the Illinois State Fair in 1934, one year before his curly-headed daughter, Shirley, was born.

She was destined to take his business to success beyond his dreams.

By the time the energetic girl turned 5 years old, she was showing at the state fair.

“Daddy let me. I was just as happy as can be,” says Shirley Harris, now 84.

She points to a photo of herself, competing with her arm in a cast at her first state show in 1940. This treasured black and white photo is part of a banner for the 2019 Illinois State Fair celebrating Weidner Prairie Farm’s 85th year of showing cattle at the fair in Springfield, Ill.

They have not missed a single year. And, yes, they are making plans for the 2020 state fair in August.

Banner Years

The celebration banner shows other important stages in the farm’s history, including photos of Harris’ dad with his first Milking Shorthorn heifer and first bull of the same breed in 1929. He chose this breed over Holsteins in part because they brought more money at sales and were still good milkers, she says.

While the family stopped milking the dairy cattle years ago, Shirley continues the legacy of breeding and showing. She showed the cattle in the ring for more than seven and a half decades, and she still plays a big role in choosing the best ones.

“She still picks the cattle we show,” says Eric Cheever, her herdsman.

By 1966, she had won so many trophies and banners, she and her husband Bill built a shed to house them. Today the display shed holds thousands of pieces of memorabilia — ribbons, trophies, old milking cans and even a lamp that lights up showing a 1951 Indiana State Fair championship bull.

“I wouldn’t change my life for anything,” says Harris, whose work with livestock afforded her the opportunity to see much of the country.

The awards in this room are from state fairs and championship shows across the nation. The sight, upon entering the room awash with ribbons and trophies, is breathtaking.

Still, the packed shed only holds a portion of her winning ribbons, Cheever says. Only champion and first place ribbons make the grade to be on display. Harris has trunks full of other ribbons stored away.

“These awards represent years of work — sweat, blood and tears,” Cheever says.

Cheever, Harris and her son, Bill Fiesler, a dentist in Decatur, Illinois, have spent dozens of hours sorting and restoring the awards hall. Even though they are out of space again, they keep winning. The 18 winning ribbons of 2019 take up a table of their own. Prestigious World Dairy Expo trophies from Wisconsin in 1987, 1988 and 1995 huddle together in gleaming silver in another part of the victory hall.

Some memorable events are recorded in racks of newspaper clippings. One rack is devoted to the year Weidner Prairie Farm hosted the Farm Progress Show in 1991, before the show’s permanent biennial Illinois site was established in Decatur.

Proving Herself

One day which still stands out in her memory was in about 1980, when her dad told her he was ready to get rid of the herd because he couldn’t take care of it anymore. “Let me do it, Daddy,” was her response.

That bit of praise motivated her.

“I had to prove to my dad that I could do it, no matter what it took,” she says.

She had such winning ways, sometimes she was the subject of practical jokes. At the Du Quoin State Fair in southern Illinois one year she won every class. When she got back from lunch, her bouquet of prize blue ribbons had been replaced by pranksters with yellow and white ones.

In the early days, she was the sole representative of her gender in the ring.

“I was the only woman out there. As time goes by, there are lots of women raising and showing cattle now,” she says.

Winning Reputation

Wearing a bright red jacket bearing the family farm name, Harris’ blonde ringlets bounce like her namesake, Shirley Temple.

She has met celebrities in her day, including Gene Autry, the Singing Cowboy. He rode up on Champion the Wonder Horse at a 1955 show and was so impressed with her he offered to sign the Premier Exhibitor banners she won that day. The two signed banners hang in a place of honor in the awards shed.

Harris knew she had to prove herself in a field dominated by men. When she came home with a World Dairy Expo championship trophy the first year after taking over, her dad almost looked a little disappointed. “I knew you could do it. I didn’t think it would be that quick,” she recalled him saying.

Clearly, Harris’ winning ways must have been intimidating to some of her competitors. As soon as they saw the names of certain Weidner bulls on the program, they knew their chances of winning were slim.

“Monster — he would just win and win,” says Cheever.

“We loved Monster so much. He was undefeated at the World Dairy Expo,” says Harris of the two-ton bull with a “sweet disposition.” “For the 16 years we showed him, he won every time.”

Even after all these years of working with livestock, she says she still cries when they lose a cow.

“We don’t look at them as just cows,” says Cheever. “They are smart and they are funny.”

As Harris and Cheever leave the awards room behind and tour the farm, one cow heads straight to Cheever as soon as he opens the gate.

“She always tries to be first,” says Harris, with a smile.

Judging from all the awards, Harris likes to be first too.

This treasured black and white photo is Shirley Harris at 5 years old competing at her first Illinois State Fair in 1985

One of the Ayrshires that turned Tom and Kelli Cull into Ayrshire fans was Marilie Gentleman Karmina EX-94 who they recently lost at 11 years old. She was named Grand Champion at the 2021 International Ayrshire Show in Madison, Wisconsin.

Investing in solid cow families is something Peter Vail strongly pursued in the 1990s, but investing in Ayrshire genetics is a relatively new venture he began about 18 months ago.

“Ayrshire embryos are plentiful and because of that, I ended up investing in some great cow families,” Vail said. “The high end of the Ayrshire business is quite strong; the Karmina and Carvella cows are really well spoken-for and the sales from those cows are very strong right now.”

Bricker Farms Gibbs Carvella is a Palmyra Reality Gibbs out of a Burdette daughter and was the 2022 All-American Lifetime Component Merit Cow, Reserve All-American Aged Cow and just recently maxed out at EX-95 with a 96-point mammary system. She is owned by Todd and Lynsey Bricker of Salem, Ohio, and in 2022 she was the First-Place Aged Cow and Grand Champion at the Ohio State Fair and the New York Spring Show.

At the 2022 International Ayrshire Junior Show in Madison, she ended up first in her class, Senior Champion and Grand Champion. Most recently she was Grand Champion of the Ohio State Fair Ayrshire Junior Show and Reserve Senior Champion of the Open Show.

Carvella was the first cow that took Vail into the world of in-vitro fertilization (IVF) genetic marketing for the colored breeds. While he had IVF-bred Holsteins, he had yet to do so with an Ayrshire or Milking Shorthorn. “I bought an IVF session out of Carvella at the National Ayrshire Convention Sale, and we have flushed her to Autograph and Distinction. She produced 55 oocytes,” Vail said. “She has done very well for the Brickers.”

When he is deciding on sires, he spends time researching the cow families and asks breeders and promoters of the breed which they would use: “I check with Kurt Wolf and Mike Maier to see what they recommend, and then I make those decisions.” There is much involved in making sure a cow family not only gets the right care but is promoted correctly. Vail knows the difference and that has contributed to his success.

“We have several calves that went to Budjon in Wisconsin to be developed - a Reynolds out of Bear-Ayr Burdette Ray EX-94 2E and a Reynolds and a Distinction out of Karmina,” he noted.

Just recently Marilie Gentleman Karmina EX-94 passed away at 11 years old. “She was the cow that made Tom and Kelli (Cull) fall in love with Ayrshires,” he said. A Gentleman daughter out of Marilie Poker Karma, Vail purchased Karmina in 2016 and approached the Culls about housing her and another Ayrshire, Bear-Ayr Burdette Ray.

Kelli Cull said, “When Peter and (the late) Mike Hellenbrand first informed Tom and I regarding housing a couple of Ayrshire cows they had recently purchased, I am not going to lie; we were hesitant and slightly skeptical at first. At that point, Budjon had never seen an Ayrshire before, let alone two of them in one swoop!

“But if there is one thing we have learned about Peter (and Mike too), is that Peter knows good cows and has a tremendous eye for finding ones that need that extra care to take them to the next level. So along came Karmina from a recent show out East, and not long after that we found out that they had made another purchase, a cow by the name of Bear-Ayr Burdette Ray. From that point forward, we were smitten with these two cows. Not only were they really good show cows, but their personalities were also like no other cows we had housed before.”

Karmina was the Unanimous All-American Aged Cow in 2021, winning Senior and Grand Champion at the International Ayrshire Show and Reserve Senior and Reserve Grand Champion at the Midwest Regional Show. Cull said of Karmina and Ray, “Both cows had numerous Grand Champion and Reserve Grand Champion honors both north and south of the border, including Louisville. Oh, what fun we had with Karmina! That cow loved to show.”

The Culls discovered the Ayrshire personality that comes with the beautiful red cows. “Ray definitely had the sweetest personality of the two, that all of Team Budjon fell in love with. She was an easy keeper, easy to milk, low maintenance, eat everything kind of cow. Karmina, on the other hand ... yeah, she ate everything you put in front of her, but was pure Ayrshire sass. She was not ever mean or hard to milk, just a little more colorful demeanor than Ray.”

Cull added, “Karmina liked to toss her feed over her back, dig every pen she ever stepped in right to the ground or cement, always played ‘Twister’ with her feet when you milked her, but never kicked. But, come show day for these cows, especially Karmina ... they knew what they needed to do: eat and make milk. And that they did! I always

showed Ray, because she was a kitten to lead in the ring. Karmina, on the other hand - she would give Tom a run for his money every once in a while, but Tom, knowing this, had patience and understanding, and always let her do her thing. And when the time was right, she showed herself enough for the ‘W’ and more.”

Having calves from Karmina is vital to the Vail and Budjon team. “Karmina is for sure leaving a genetic footprint with the confirmation of her daughters. We have used bulls like Reynolds, Autograph and Distinction and all of them have become tremendous show heifers for their new owners. They all have that same beautiful, balanced cut, long-bodied, flat rump and pretty head that Karmina portrayed,” she noted.

Toppplen Wishful Thinking-ET EX-94 4E offspring have also done well for Vail. “We had three live calves from Wishful Thinking; one we sold in the Shades of Excellence Sale, one in the First Impressions at the Interstate Sale, and we have one left to flush,” he said. She is owned and developed by the Topp Family of Bremen, Ohio. Vail said they haven’t used much Kingsire, but they own several of them and they are good.

He has four Regans coming this fall from Mowry’s Burdette Mojo EX-93 2E, nominated Junior All-American Three-Year-Old in 2018, and he has one Regan daughter from Old-N-Lazy Dream of a Diva - a Dreamer daughter from Grand-View HP Burdette Dells-ET.

“We need more growth for the Ayrshire breed. Tom Cull is a perfect example of someone who didn’t want Ayrshires, but when we put one in their barn at Budjon, now he loves them!” Vail explained. “I would like to buy more, but they get pretty expensive. You never heard about these kind of Ayrshires before, but they have much better udders, feet and legs, more dairyness and they are more aggressive. We don’t have to worry about their hardness; they have a great will to live.”

Vail runs all his embryos through Transova in Maryland, where they are sorted and sent to the different farms to be put in recipients. He has several pregnancies at Synergy in Western New York, 24 due in September and another 24 due in December. Those calves will go to Maple Downs Farm II in Middleburgh, New York, where Jason Lloyd and Lexi Payne will provide housing and care. “Jason and Lexi will have their hands full with the calves from Synergy,” he predicted. ■

Ayrshire Master Breeder

Ayrshire Breeder Linda Hanson (left) presented David and Karen Koss with the Master Breeder Award.

As presented at the awards banquet at the National Ayrshire Convention by Linda Hanson:

Years ago, our Master Breeder Award recipient was quoted in a prominent agriculture newspaper saying, "Ayrshires have always been a part of our lives. This is more about a passion for the breed and the desire to breed a better cow."

This statement is a testimony and a glimpse into the legacy of Ski-Pal Ayrshires and the Koss Family of Epworth, IA. David Koss and his late father Gerald played a major role in Ayrshire history in the state of Iowa and nationally. David, who is a third generation Ayrshire breeder, maintains his appreciation of the Ayrshire breed to this day.

Gerald and Maryann Koss started milking Ayrshires in 1958 south of Mt Vernon, Iowa. They raised four children: Sheryl, Venice, Sue, and Dave. All of their children shared in the responsibilities on the dairy, and they also enjoyed showing Ayrshire cattle. The family moved to their current farm in Epworth in 1974.

After graduating high school in 1979, David started working full time on the dairy with his parents. He married Karen in 1987, who came into the family with a degree in management. Love for each other, supporting the dairy industry and using your marketing talents should result in owning a thriving pizza restaurant, right? Little did Karen know the Pizza Factory would become a fond gathering place for dairy friends across the country.

During the late 80's and 90's, Ski-Pal exhibited the Grand Champion at the Iowa State Fair for 11 years in a row. Around this time, they also started participating at the National level. Their herd produced over 40 All-American nominations which included 12 All-American and Reserve All-American animals. The family also exhibited dozens of other All-American nominated animals.

David credits several influences within the Ayrshire breed and dear friends who helped to instill passion for the Ayrshire breed in their family. Most notable were Harry Lorenz from An-Mar Farm, and Bud and Ruth McHone from Iowayside Farm.

Some special home-bred animals have made lasting impressions on the breed. Ski-Pal Lot Kally was EX-93 and produced over 24,000 pounds of milk. She was the Intermediate Champion at World Dairy Expo in 2006, winner of the Kingsmill Futurity and named Unanimous All-American Sr. 3-Year-Old.

Ski-Pal exhibited the Grand Champion Ayrshire at the 1995 World Dairy Expo and Reserve Grand Champion at the 1994 World Dairy Expo. Along with these outstanding wins, an additional three intermediate and four senior, grand or reserve grand champions were shown from Ski-Pal Ayrshires at the World Dairy Expo.

Witnessing Ski-Pal genetics do well for others has been gratifying. The EX-90 Ski-Pal L G Kalina was sold to Glamour View Dairy, and she made her mark nationally for them. She was grand champion at the Mid-Atlantic National Show as a 2-year-old, and was later reserve grand champion at this show two additional times. She was reserve intermediate champion and reserve grand champion at World Dairy Expo and has earned numerous All-American honors.

There are certain pleasures that all breeders get from seeing their hard work recognized by others. Ski-Pal was honored with the Premier Exhibitor award at the 1995 World Dairy Expo. Their animals graced the cover of the October 1994 Hoard's Dairyman and represented the Ayrshire breed in the 1995 Hoard's Dairyman Judging Contest.

The Kosses never hesitated to form partnerships with different breeder friends over the years, and often those relationships yielded great results. One example was the bull Ski-Pal Good-Vue Tri Magic who was distributed by Select Sires. Hundreds of registered Ayrshires were sired by him.

We would be remiss if we didn't also acknowledge that service to the Ayrshire cow and Ayrshire people have gone hand-in-hand with master breeding for this family. Gerald was presented with the Ayrshire Distinguished Service Award in 2009. Father and son both gave endless years of commitment to work as committee and board members on the state and national levels. Dave is also a former ABA president. He has managed countless state and national Ayrshire sales, and was instrumental in developing Ayrshire sales at World Dairy Expo.

Gerald and David both took great care introducing people to the Ayrshire breed and making sure they had support as they got started. If you know Dave, and you have an understanding of the Epworth, Iowa agriculture community, you'll be able to picture this. Kurt Wolf, also an Epworth native, recently shared that Dave Koss is the only guy he knows who will deliver a pizza, truck a cow and give Ayrshire breeding advice all in one stop! Kurt credits Dave for instilling his own knowledge and love for the Ayrshire breed and has appreciated his support as he developed the Old-Bankston Ayrshire breeding program.

It's a pleasure to have Dave Koss and his wife Karen in attendance with us. They keep a busy schedule with their businesses and three daughters: Kaylee, Robin and Allison. Kaylee, the youngest, is in her final semester at the University of Iowa College of Nursing. Middle daughter Robin is a NICU travel nurse. Their oldest daughter Allison is a charge nurse at the University of Iowa Children's hospital in Iowa City. She and her husband Craig Kerper have a 2-year-old son named Jett.

Please join us in congratulating and thanking David Koss and his late father Gerald Koss as we present them with the 2023 Ayrshire Master Breeder Award.

Ayrshire Breeders' Association President Tom Gillette (left) presented Jason & Melissa Heeter with the Young Breeder Award, along with their daughters Peyton & Taylor

Ayrshire Young Breeder

As presented at the awards banquet at the National Ayrshire Convention by Tom Gillette:

Today we are celebrating and giving recognition to a hard-working young couple who is making their mark in the Ayrshire breed.

When Jason and Melissa Heeter of Shade Gap, Pennsylvania, are in on something, they are all in! If you've met them, you've certainly made a friend. The Heeters transitioned from working primarily with another breed to giving their passion to the Ayrshire breed. And we've welcomed them with open arms. They purchased their first Ayrshire in 2007 from Plum Bottom Farm and have been working steadily to develop their Jomill Ayrshire prefix ever since.

Jason and Melissa have a great knack for breeding awesome cow families. A great example is Jomill Poker Keegan, who is Excellent-94 4E. There are 28 registered progeny from Keegan, and many daughters have won classes at national shows and received All-American honors. Some great ones have been developed and marketed from this family, including Kalliope, Kaliente and Kalypso.

Another noteworthy cow they bred is Jomill Ramius Odessa, EX-92 3E. Odessa has 14 registered progeny, and once again, new owners are appreciating this family's genetics.

Greg Evans, fellow breeder and friend of the couple, says "It's amazing what they have been able to accomplish without milking their own cows. They are exceptional at marketing and developing animals. And, they're sure not afraid to sell the good ones!" One of their good ones is actually selling in the Grand National Ayrshire Sale.

Jason and Melissa met in college at Delaware Valley University. They were married in 2006 and are blessed with two beautiful daughters, Taylor and Peyton. They have built a great facility in Shade Gap where the entire family works with the Ayrshire herd. Jason also works for Zoetis Pet Care, and Melissa is employed by Lanco milk producers.

Ladies and gentlemen, please join me in congratulating Jason and Melissa Heeter as we present them with the 2023 Ayrshire Young Breeder Award.

Ayrshire Distinguished Service Award

ABA Vice President Rhonda Winkler (right) presented Mary Creek with the prestigious Distinguished Service Award.

As presented at the awards banquet at the National Ayrshire Convention by Rhonda Winkler:

Like the county song “Whose Gonna Fill Their Shoes” by the legendary George Jones, tonight’s recipient is one of those great ones whose legacy, dedication, commitment and sacrifice to the Ayrshire Breed will last a lifetime. I often sit on my porch with my husband and listen to the lyrics of this song. We talk about the people in our lives who have blessed us with their knowledge, their time and have served for the greater good. Tonight’s recipient of the 2023 Distinguished Service Award always comes to the top of my list. She gives her heart and soul to the Ayrshire cow, the US Ayrshire Breeders Association and the World Ayrshire Federation. She is “Ayrshire” from the tip of her toes to the top of her head.

Mary Creek of Palmyra Farm from Hagerstown, MD is the recipient of the 2023 US Ayrshire Distinguished Service Award. I’m sure you all already knew whose name I was going to say because when you think Ayrshire, you think Mary Creek.

I could stand up here and just tell you all the facts about Mary and Ayrshire. Like... she has served on the Board of Directors for decades and has been the chair of the Breed Improvement Committee for over 25 years. But, you all know I like to do things a little differently, so I reached out to those whom I know have worked with Mary on various different levels. I’d like to share with you all their thoughts about the Legendary Mary Creek.

First up is Steve McDonald...

I have been fortunate to serve on the board with Mary and travel with her to various shows and events for Ayrshire. Her devotion and selflessness for the Ayrshire cow and its breeders is unprecedented. A big HUG and thanks for all that you do Mary.

Next, we are going to hear from our friend in New York, Doug Evans...

Spending many years on the board with Mary, I realized her deep passion for the Ayrshire breed. Her leadership as chair of the USLGE committee has opened up many avenues for US Ayrshire Breeders in Australia, Europe, South Africa and South America. Semen sales and embryo sales have increased exponentially thanks in a large part to her efforts to promote and ex-

pand the US Ayrshire footprint in the international dairy world. In addition, she encouraged both young and seasoned Ayrshire breeders to judge international cattle shows around the world. Her work promoting the US Ayrshire breed and breeders has increased respect and value on the international stage.

We are going to go back a few years and hear from the man who was Mary’s traveling companion to annual meetings and conventions a few years back, David Patrick...

Mary hails from a great family and has always promoted the Ayrshire cow and the dairy industry without stopping. She always worked hard to support our youth with assisting judging contest and coaching youth. She helped us put together the leasing program. She has served many years on the National Board of Directors and this award is well earned and deserved.

Now a few words from Arlene Crosser, who worked in the ABA office as our Records Coordinator...

During the time that I was Records Coordinator for ABA, I had the opportunity to work with Mary registering countless Palmyra calves and keeping each other straight. I also witnessed the contributions Mary made to improve and promote the Ayrshire breed. Her leadership skills, knowledge, understanding of genetics, contacts and respect within the dairy industry (both domestically and internationally) have helped to move the Ayrshire breed forward. When Ralph and Patricia Shank named their daughter, Mary... They certainly selected a name that would identify her as in contains the letters, “A”, “Y” and “R”

Speaking of our international friends, now it’s time to hear from Edmond Els...

It is a privilege as President of the World Ayrshire Federation to congratulate, on behalf of the Ayrshire Society of South Africa, a formidable woman in her own right, with her “Distinguished Service Award”. The Palmyra herd breeds excellent bulls, including Burdette, Reality and Reagan, from which South African herds have benefited with the importation of semen. Mary is an outstanding representative for her country as an international judge and board member of the World Federation, of which she held the position of President from 2012 to 2016 and currently still serves on the board. She is an ambassador for America

world-wide in the Ayrshire circles. The Palmyra name carries the banners high at shows with performances in the show ring. Mary, thank you for having the best interests of the Ayrshire breed at heart.

Now a few words from Mary's friend, annual meeting and convention roomie, Linda Hanson...

I have had the opportunity to see Mary in many cattle affiliated situations... sales, shows, meetings and social gatherings and her priority is always Ayrshires, breed improvement ideas and US Ayrshire Association programs, and "Dairy Shrine". We've shared a room frequently and the conversations, after checking in about family and friends, inevitably turns to important stuff, AYRSHIRES! Mary has put yeoman's effort into writing international marketing plans for the FAS grant program that has made dollars possible for many of us, as well as herself, to travel internationally and develop literature to advertise US Ayrshires. I have traveled internationally with Mary and personally observed her enthusiasm for and dedication to promote US Ayrshires and US programs. The respect she receives from breeders in other countries is reflected in the number of times she has judged internationally as well as serving as World Federation President. She is intent on marketing US Ayrshires always and occasionally, is so into the conversation she loses track of possessions which is probably why she brings me along. We can be grateful Ayrshire and the association has someone so dedicated to the success of our breed and the dairy industry. I am grateful I can call her friend!

Now from our buddy up north, the great Richard Caverly...

A recipient of "The Distinguished Service Award" should be a person that has gone above and beyond for the betterment of those presenting the award. Typically, it has been a suspense filled presentation filled with facts leading to the announcement of the recipient's name. Well, Mary Shank Creek has raised the bar at every level for us, the US Ayrshire Breeder's Association and there is no way any big build-up will or could match the building of which she has helped orchestrate the US Ayrshire. Her impact is more than a breeder, she is a leader and statesman

for the Global Ayrshire Community.

How about a few words from the lady that keeps the office humming, Becky Payne our Executive Secretary...

Mary Creek's distinguished service efforts extend to the entire dairy industry. In everything she does – whether it working as a chair of US Ayrshire Breed Improvement Committee, securing memberships for National Dairy Shrine, graciously hosting students on the farm for judging team practices, selling Palmyra Farm Cheese, or giving encouragement to inexperienced 4-H'ers while judging shows – Mary is always presenting the US Ayrshire breed in a positive manner. It's always been important to her that people understand and appreciate the value of the Ayrshire breed: and she's been very successful in her efforts. She's been a driving force in making our genetics recognized world-wide, and has worked tirelessly gaining the respect of the production livestock industry representing US Ayrshire amongst the US Livestock Genetics Export membership. When Mary Creek's name is mentioned, many in the dairy industry automatically link that to US Ayrshire. Mary is quick to find time in her exhausting schedule to share her Ayrshire knowledge with anyone who shows interest in learning. To me, Mary Creek is the epitome of Distinguished Service!

Now a few words from me...

I have had the privilege and honor of knowing Mary all of my life. Heck, I was a flower girl in her wedding a few years back! She is a selfless lady, who always puts others before herself and goes above and beyond for the Ayrshire cow and her people. Mary is the optimum recipient to receive this award. Thank you, Mary, for always sharing your knowledge, experience and expertise with me. I am forever grateful for you, and I am grateful that I get to call you my lifelong friend as well! On another sweet note, my father David Patrick presented Mary's father, Ralph Shank Sr., with the Distinguished Service award back in 1994. So, let's keep the history rolling...

Ladies and gentleman, please join us in congratulating Mary Creek as we present her with the 2023 Ayrshire Breeders' Association Distinguished Service Award.

Requirements for the 2022 Constructive Breeder Award

1. Only those cows bred by their owner shall be considered in qualifying. At least 50% of the herd must be bred by owner, with a minimum of ten animals. (Junior members must have a minimum of five animals.)
2. The herd must be enrolled in its second year of REWARDS, and must have completed the test year's average, on owner-bred animals, of not less than 110% of the current three-year breed average on an Energy Corrected Milk (ECM) basis. The three-year breed average (2020-2022) is 19,630 ECM; 110% of this figure is 21,593 ECM.
3. Seventy percent of the owner-bred females in milk must have been inspected under the Ayrshire Breeders' Association classification program. The owner-bred cows included in summary for the Constructive Breeder Awards must have an average score of not less than the actual average of all cows scored from the previous calendar year. For 2022, this average is 86.
4. All Constructive Breeder Awards will be calculated on data available in the office of the Ayrshire Breeders' Association at the end of the herd test year.
5. A certificate will be presented to each breeder qualifying for the Constructive Breeder Award.
6. A plaque is presented to the highest and second highest Constructive Breeder Award, based on ECM.

Grand National Ayrshire Sale

It was a beautiful Maryland night for the crowd gathered at The Great Frederick Fairgrounds on June 30, 2023. The Grand National Ayrshire Sale was indeed an event for making memories following a week filled with great ideas, camaraderie and celebration of Ayrshire achievements. Sale Chairman Mark Valentine was supported greatly by Maryland juniors who worked diligently all week for the sale yielding an overall average of \$4,669.

Topping the live animal portion of the sale was Lot 16, Kozy Kountry Reagan Mai Tai-ET, consigned by Cassie and Sabrina Clark of Springville, PA. "Mai Tai" sold to the partnership of Taylor Heeter and Mary Lou and Diana Parker of Edmeston, NY for \$9,900. Her dam is the lovely Mowry's Burdette Mojo, EX-93 2E who made over 22,000M at 5-04.

Four-Hills R Vanity-ET was the second high-selling live animal. Duane Cole and Zac Logan of Burghill, OH purchased this Reynolds spring calf for \$9,500. The dam is the EX-94 2E Hardy-Farm Prime Verbena with records to 5-01 365D 34,650M 4.7% 1644F 3.2% 1105P. The next dam is EX-91 2E with over 100,000M lifetime. "Vanity" was consigned by the Cannon brothers of Dyersville, IA.

Lot P2, a Bolsonaro or Wicked pick of flush out of Margot Precious, gained lots of attention throughout the lead-up to convention. Windyhollow Show Cattle of Etoile, KY was the final bidder at \$10,000. The new owners will choose from an assortment of calves due March 2024. The dam was the 2023 Unanimous All-American Jr. 3-Year-Old, and the granddam was the 2016 Unanimous All-American Aged Cow. The partnership of Kurt Wolf, IA and Mike Maier, WI consigned this lot.

The rights to a contolled IVF session out of Bricker-Farms Gibbs Carvella, now EX-95, sold as a new way to market embryos for the Ayrshire breed. This appealed to many breeders looking for interesting embryo matings. Peter Vail of Englewood, FL purchased this opportunity for \$4,700. Todd and Lynsey Bricker of Salem, OH are the owners of Carvella who has had a successful show career and made over 32,900M at 6-07.

Lynn Lee, TN was the auctioneer and Greg Evans, NY read pedigrees for the 29 consignments struck off during the sale.

Congratulations to the sale committee on a job well done. Much of the labor was done by juniors. Front from left: Madison Mowrer, Faithlynn Moore, Cadin Valentine, Tyler Lloyd, Taylor Heeter, Connor Clabaugh, Kassie Zirk, Jessica and Mark Valentine. Back from left: Auctioneer Lynn Lee, Pedigree Reader Greg Evans and Gavin Valentine

The Ayrshire Breeders' Association presented a gift of appreciation to Jessica Valentine, the 2023 National Ayrshire Convention Chair.

Thanks to Jessica and her committee for a great national convention!

NATIONAL SUMMER

Ayrshire Spectacular

The 2023 National Summer Ayrshire Spectacular was judged by New York's very own Tyler Reynolds from Corfu. Exhibitors gathered at the New York State Fairgrounds from July 18-23 representing multiple states for the 150 animals shown.

Sweet-Wood Player Bliss, owned by Peter Vail of Englewood, FL was selected as the winner of the Summer Yearling class and named Junior Champion. She is the daughter of Grand-View Gentle Blues who was nominated All-American Winter Yearling in 2021. Vales-Pride Jazz Expression, owned by Cadin Valentine, Thurmont, MD was selected as the winner of the Fall Yearling class and Reserve Junior Champion. Expression was successful as a calf as she was also Reserve Junior Champion at the 2022 Southern National Junior Show.

Angela Fuller of Attica, NY is the owner of Heineman Kingsire Cold Brew who was the winner of the Senior 3-Year-Old class and was also selected as Intermediate Champion. Cold Brew was no stranger to the National Summer Spectacular as she was winning Senior 2-Year-Old in 2022. Another champion for Peter Vail was Chaluka Burdette Xana-ET. She was the second place of the Senior 3-Year-Old class and selected as the Reserve Intermediate Champion. Xana has also been successful in the show ring as she was All-American Milking Yearling in 2021.

Heineman Reagan Roz, owned by Angela Fuller, was the winning 4-Year-Old that was also named Senior Champion. Roz is the definition of a show cow as she was Unanimous All-American as a Senior 2-Year-Old and Senior 3-Year-Old. Sunny-Acres Perfecter Silk, owned by Gregory Evans of Georgetown, NY was the second place 4-Year-Old that was selected as Reserve Senior Champion. Silk is no stranger to the ring either as she was previously nominated All-American Senior 2-Year-Old and Honorable Mention All-American Senior 3-Year-Old. For his Grand Champion selection, Judge Reynolds stuck with his senior champions, naming Heineman Reagan Roz as Grand Champion and Sunny-Acres Perfecters Silk Reserve Grand Champion.

National Summer Ayrshire Spectacular Junior Show

Forty-nine animals were shown as part of the National Summer Ayrshire Spectacular Junior Show by youth exhibitors.

Vales-Pride Jazz Expression, owned by Cadin Valentine, Thurmont, MD was the winning fall yearling and won the Junior Champion banner. Expression is the granddaughter of the successful Vales-Pride Dreams Exceeded who went on to be Honorable Mention All-American Spring Yearling and Reserve Jr. All-American Spring Yearling in 2015. Locust-Spring

Re Twist, owned by Savannah Traverse of Sloansville, NY topped the Winter Yearling class and was named Reserve Junior Champion.

Heineman Tuxedo Chaos, exhibited by Esther Heineman from Attica, NY, lead the Junior 2-Year-Old and was also selected as your Intermediate Champion. She went on to be declared Grand Champion of the junior show. Chaos had quite the success as a spring calf as she Nominated All-American and Jr. All-American in 2021. Jomill Burdette Kalypso-ET, owned by Taylor Heeter of Shade Gap, PA, was the winning Senior 2-Year-Old and Reserve Intermediate Champion. She was also selected as the Reserve Grand Champion of the Junior Show. Kalypso has quite the All-American honors as she Reserve All-American as a Fall Calf and Reserve Jr. All-American as a Fall Yearling.

Ashton and Levi Wilcox of Varysburg, NY, had the winning 4-Year-Old and Senior Champion of the Junior Show with Jackson-Hill Champ Balboa. She has had multiple Jr. All-American nominations. Cedarcut Reagan Crown Carmen, owned by Megan Klossner, Turin, NY was the second place 4-Year-Old and Reserve Senior Champion of the Junior Show. Her granddam is the well-known Cedarcut Burdette Clove Colata who has numerous the All-American nominations and accolades.

MIDWEST NATIONAL

Ayrshire Show

The Midwest National Ayrshire Show was held July 18, 2023 in Beaver Dam, WI. Judge Greg Evans from New York placed the 134 head of Ayrshire cattle shown. Exhibitors and breeders came from Wisconsin and surrounding Midwest states to participate in the second annual Midwest National Ayrshire Show.

Four-Hills Burdette Victory-ET owned by Steve McDonald of Princeton, IL was the winning Fall Calf and also selected as Junior Champion. Victory's dam has been successful in the show ring as she has held multiple All-American nominations. The second place Fall Calf, Grand-View Champ Dyna owned by Jacob, Logan and Madison Harbough and Tim Busch of Cecil, WI was selected as Reserve Junior Champion. Dyna goes back to her well-known maternal granddam, Grand-View BBBK Dreamer, who has multiple nominations and won the Futurity class at World Dairy Expo in 2010.

Old-N-Lazy KS Madalynn-ET, owned by Old-Bankston Ayrshires of Epworth, IA was the winning Junior 3-Year-Old who went on to be selected as Intermediate Champion. Madalynn is the daughter of the well-known Sharwards Calimero Megan who has earned numerous All-American nominations. The winning Senior 2-Year-Old, Hi-Ayr-View Kingsire Glisten owned by Billy and Sarah Kolaske of Boduel, WI was selected as Reserve Intermediate Champion.

Miss Malibu Mimosa, owned by Michelle Wolf, Duane Cole & Melissa Burns, Epworth, IA was the winning 5-Year-Old that also went on to be selected as Senior Champion. Mimosa comes from a show cow family with several generations of All-American nominations. The winning Four-Year-Old Margot Precious, owned by Kurt Wolf & Michael Maier was selected as Reserve Senior Champion. Precious is no stranger to the show ring either as she was Reserve Intermediate Champion at World Dairy Expo and Unanimous All-American Junior 3-Year-Old in 2022.

In his selection of Grand Champion, Judge Evans tapped the winning 5-Year-Old and Senior Champion to be Grand Champion. Miss Malibu Mimosa is owned by Michelle Wolf, Duane Cole & Melissa Burns. Then he went out and selected the winning 4-Year-Old and Reserve Senior Champion Champion Margot Precious as the Reserve Grand. Precious is owned by Kurt Wolf & Michael Maier.

Midwest National Ayrshire Junior Show

This year's Midwest National Ayrshire Junior Show had 65 animals shown by junior exhibitors. This show was held in conjunction with the Midwest National Ayrshire Show and also was judged by Greg Evans.

Grand-View Champ Dyna, exhibited by Jacob, Logan & Madison Harbough, was the winning Fall Calf and Junior Champion in

the Junior Show. She was a repeat junior champion in the open show. Then Marilie Reality Morgane-ET, owned by Dylan & Cameron Ryan & Brady McConell was the winning Summer Yearling and Reserve Junior Champion.

Moy-Ayr Berkely Darling, owned by Steve, Pauline, Rebecca, & Emily Schmidt was the winning Senior Three-Year-Old who was also selected as Intermediate Champion and later was selected as Reserve Grand Champion in the Junior Show. Darling is also no stranger to the show ring as she has racked up multiple Jr. All-American nominations. Reserve Intermediate Champion honors went to Grand-View Vicking Dream On-ET, owned by Alex Jaskolski who was also the winning Senior 2-Year-Old. Dream On comes from a line of show cows with her dam being Grand-View HP Calimero Dane and her maternal granddam being Grand-View BBBK Dreamer.

Moy-Ayr Predator Lively, exhibited by Rebecca, & Emily Schmidt, was the winning Aged Cow and was also selected as Senior Champion. Lively later received the title of Grand Champion. Lively is quite the show cow she has had numerous Jr. All-American and All-American nominations. Austin Kopfer's Ayrback Buddy Abigail won the 4-Year-Old class and was selected as Reserve Senior Champion. Abigail was nominated Jr. All-American as a Senior Two-Year-Old in 2021.

Once upon a time in 1911, William Gerner bought his foundation Milking Shorthorn. His son and grandson (Willard) dreamed of building cow families that would transmit beyond their generations. They traveled to Canada for foundation sires to improve their herd.

At Mapleton Valley we are continuing their vision of striving to strengthen our cow families... breeding profitable cows with exceptional type.

In Memoriam

RONALD G. WEISS

Ronald Gene Weiss, 70, of rural New Madison went home to Jesus, encircled by family, on July 29th, 2023, at Miami Valley Hospital in Dayton, Ohio. Ron was the third of six children, born May 26th, 1953, in Greenville, Ohio to the late Richard & Glendora (Oswalt) Weiss, 13 minutes after his twin brother, Donald Dean.

In addition to his parents, Ron was preceded in death by his sister, Judy Weiss, and niece, Carly Mangas.

Ron was a 1971 graduate of Mississinawa Valley High School and active in the FFA and President of the Friendly Farmers 4-H club. He attended the Trinity Lutheran Church in Union City into his young adult years. Being raised on a Darke County farm, yielded firm family values and a strong work ethic earned through toils and rewards of farm life. He also shared in the legacy of showing the Glenrich herd of Milking Shorthorn dairy cattle across the country with his parents and siblings. Even as an adult, Ron was always there to offer help, unafraid of honest, hard work, and found happiness on his tractor seat or lending a hand to family on the farm. His failing health took away his ability but not his longing. He often would say, "I wish I could help" when family faced a project.

Alongside managing his own farm, Ron was a dependable employee of each; the Union City Mold, the Portland Forge, and lastly retired from Cargill in Sidney, Ohio. He was trustworthy, hard-working, and formed life-long friendships with co-workers.

Ron was content tinkering outside in jeans and cut off t-shirts but liked to get "cleaned up" in a contemporary western style with a dress shirt, leather vest, cowboy boots, and bolo tie. He was

proud of his family and was often seen at grandchildren's activities and valued family gatherings and holiday celebrations. He liked to surprise grandkids with molasses cookies and provide them with sandwiches on show day at the Great Darke County Fair. He easily knew all the roads, directions, and sights in the area and far beyond. He found a simple joy in camping, homemade ice cream, spending time with family, going to farm auctions and garage sales, tractor pulls, and spending time with his treasured dog, Rebel.

Anyone who knew Ron would tell you he was an honest-to-goodness, tenderhearted, humble, warm person, who never knew a stranger, forgave easily, and often expressed his sincere love. He has left an imprint on all the hearts blessed to know him.

Ron is survived by his children: Casey (Krista) Weiss of Arcanum along with their children, Alex (Molly & son Theophilus), Maggie (fiancé Josh Wright), Katie, Charlie, and Henry Weiss; Clint (Holly) Weiss of Union City, Indiana along with their children, Kullen, Anderson, and Miller Weiss; Ronda (Brian) Rairden of New Madison with their children, Dylan, Tristan, Adeline, Hannah Rairden, and a grandchild expected in December. He is also survived by his twin brother Don (Betty) Weiss of Greenville and siblings John (Brenda) of Union City, Ohio, Sue (Mark) Mote of Union City, Indiana, and Martha Rydenbark of Lake Mary, Florida and numerous nieces, nephews, and cousins.

A Celebration of Life will be held at the Trinity Lutheran Church, 1470 W. State Rt. 28, Union City, Indiana 47390 at 6 p.m. Friday August 11th. The family will be receiving friends from 3-6 p.m. with the service to follow with Pastor Duane Denlinger presiding.

In lieu of flowers, memorial contributions may be made to the Randolph County Fairground Capital Improvement Projects Campaign: Randolph County Fairgrounds, 1885 S US Highway 27, Winchester, IN 47394

JEFFERY LYNN CLAWSON

Jeffery Lynn Clawson, 60, of Ames, Iowa, formerly of Ackley, Iowa, passed away peacefully on August 15, 2023 at the Israel Family Hospice House, Ames, Iowa after a 9 month fight against kidney cancer. A Celebration of Life Service will be held at 10:30 a.m., August 18, 2023, at First Presbyterian Church, Ackley, Iowa with Pastor Diane Martin officiating. Visitation will be from 9:30 a.m. to 10:30 a.m. prior to the Celebration of Life Service. Burial will be at the Oakwood Cemetery, Ackley, Iowa. Lunch will be served at the church following the burial. With honor, Adams Celebration of Life is serving the family.

Jeffery was born on March 15, 1963, to Marvin and Roberta (Lettow) Clawson. He graduated from Ackley-Geneva High School and attended the Farm Operations-Winter Quarter program at Iowa State University for two winters. He worked at several local cooperatives as an agronomist and salesman for chemical and fertilizer sales. He also worked in soybean research for Iowa State University and most recently an animal caretaker for the USDA in Ames,

Iowa. Jeff has a strong love for the Milking Shorthorn breed, his devotion to his family and a strong love for the Lord. He showed his Milking Shorthorns at the Iowa State Fair for 46 years straight under Cherrywood Farms. When not spending time with his family, he loved to golf, show cattle and garden.

He will be greatly missed by his wife of 8 years, Barb and Jeff's three kids, Kayla (Eric) Myers, Ankeny, Courtney (Justin) Schroeder, Coon Rapids, Trevor Clawson, Ames, Jeff's step kids Jennie (Paul) Savits, Ogden, Emily (Priscilla) Rebollozo, Ames, Kevin (Karla) Hansen, Houston, Texas, Megan Osborn, Pleasant Hill and Tyler Osborn, Ames, and 14 grandkids Lincoln, Fletcher, and Kipton Myers; Cash and Ainsley Schroeder; Beau, Alice, Lane, Mary and Jack Savits; Kamdyn and Luka Rebollozo and Miles and Parker Hansen. He is also survived by his mom and dad Marvin and Roberta Clawson, 2 siblings Cindy (Craig) Achen, and Carolyn (Al) Langill and numerous nieces and nephews. He was preceded in death by his grandparents. His family finds comfort that he will be greeted in heaven by those friends and family that have gone before him.

The family would like to express sincere thanks to Israel Family Hospice House, Ames, Iowa.
