GRANT APPLICATION

Requests for proposals: The criteria by which submissions will be evaluated are: (a) merit (e.g., potential to advance practical knowledge, creative approach to the problem), (b) competence (e.g., high probability of successful completion within the proposed time frame), and (c) relevance (e.g., problem derived from one of the areas of research priority).

The Foundation Committee will accept proposals through May 15th each year for consideration at the meeting of the Foundation Committee. Paper proposals will be accepted from all applicants. Applicants or their representative are invited to attend the meeting of the Foundation Committee to present a power point presentation, although this is not required for consideration.

Submission Requirements:

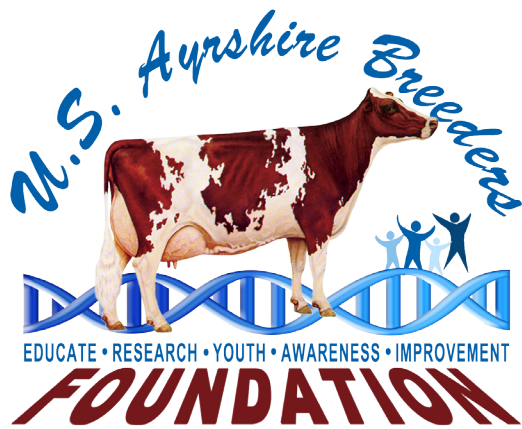

- a. Complete the grant application form, including the project title, applicant name, institutional affiliation(s), and the address, telephone number(s), and e-mail address of the applicant.
- b. A separate one-page thumbnail summary of the qualifications of the applicant
- c. A one-page concise summary of the proposal
- d. If this is a research proposal, include a separate summary page including the project title, review of pertinent literature, how this project will extend the literature, and the implications of this research for the Ayrshire breed.
- e. A separate one-page summary containing detailed information with the project's proposed timetable and budget.

Applications & submission requirements

should be sent by May 15th to:
