October 6, 2020

Greetings,

On behalf of the Ayrshire Breeders' Association Show Committee, I am pleased to report there will be a 2020 All-American contest. While this has been an unusual year, we will run it as we would in a normal year. The contest will be placed by a panel of judges from the national shows, the largest shows per ABA region and one at-large judge.

With many shows being cancelled this year, the playing field is wide open! As a reminder, the Ayrshire All-American contest does not have qualifying shows. You can literally show anywhere in the USA, have a professional photograph taken, and enter the contest.

An exciting class modification will go into effect this year. The 100,000 Pound Class will now be called the Lifetime Component Merit Class. To qualify, an animal must have 100,000 pounds of milk or a combined 7,500 pounds of fat and protein on show day.

We encourage everyone to participate, so let's have some fun! The entry deadline is November 15th, and applications are available online at www.usayrshire.com.

Good luck to all!

Donna Mertz
ABA Show Committee Chair
