Excerpts from rules governing membership:

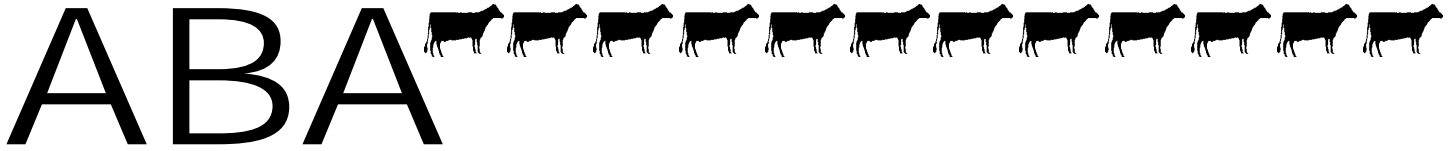

Only owners of Ayrshire cattle as indicated by the records of the Ayrshire Breeders' Association shall be eligible for membership. One or more members of the Association shall recommend each applicant for membership in writing. The name of each applicant for membership shall be presented to the Board of Directors. If no objection in writing is offered by any member of the board, the applicant shall be accepted.

Each member agrees to be bound by the by-laws and rules and regulations of the Association and failure to abide by the same may make said member subject to expulsion and censure under the provisions of the by-laws.

After the death of a member, his executor or the administrator of his estates shall have the right to register and transfer animals for a period of eighteen months upon same terms and conditions as the member would have if living.

Membership may be granted in the name of an estate being administered by an executor, administrator or trustee of a deceased person, whether or not such deceased person was a member of the Association. The fee to be charged such an estate will be as stated above. The membership shall continue only so long as the estate is being administered and shall therefore be terminated when the estate is closed.

Application of Partnership or Corporation Membership. ~ Membership is available for a corporation chartered under subchapter S of the IRS code (commonly called a family corporation) under the same terms and conditions as a partnership. Membership is also available for a legally chartered corporation not organized under the provisions of Subchapter S of the IRS code upon payment of the membership fees. Such persons as may be designated by the proper officers of the corporation will represent the corporation at the meeting of the Association. Such membership shall carry but one vote and shall cease when the corporation is terminated.

We hereby make application to become a member of the Ayrshire Breeders' Association. We are associated under a partnership agreement or breeders jointly owning registered cattle, transacting business under one partnership name (listed below). We understand that the charge is \$25 per year, and that we can pay for as many years as we wish at this time.

In making this application, we agree:

- That the partnership membership will carry only one vote.
- To accept and abide by the by-laws and rules and regulations of the Ayrshire Breeders' Association as they now exist or may from time to time be amended.
- To register and transfer all animals in the exact name of the membership, if they are to be charged at member's rates. (One of the partners of the membership will sign his/her own name after the partnership name.)
- That in no case shall membership be construed to include individual membership or the privileges of member's rate to any of the several members of the partnership.
- To notify within 30 days the Association in the event that the partnership has terminated, and to pay a \$4/per animal fee to transfer the registrations, as long as one of the members of the partnership continues as owner.
- That we own one or more registered Ayrshires recorded in our name on the records of the Ayrshire Breeders' Association.
- To secure the signature of at least one member of the Ayrshire Breeders' Association who personally recommends us for membership.
