Extract From Rules

Any person or firm who makes application for registry or transfer of an animal thereby subjects himself to, and agrees to be bound by the By-Laws and Rules of the Association.

It shall be the duty of each member or other person registering cattle with this Association to keep accurately, on all service-age females in the herd that are eligible for registry, a complete record showing date of service or insemination, name and registration number of animal serviced or inseminated, name of sire used, date of calving, sex and identification of offspring.

The breeder of an animal is the owner of the dam at the time of service. The first owner of a calf is the owner of the dam at the time the calf is born. The applicant for registry is the owner of an animal at the time of application for registration is made. In cases where the applicant for registry is not the first owner, necessary transfers will be required.

In addition, animals bred by the owner of the Farm Name, even though the bred animal may not be owned by the Breeder at the time of birth, shall be registered with the prefix of the breeder.

Official Identification - Only official tattoos or American ID tags will be accepted as forms of identification for registration. If identified with American ID tags, the animal must have a tag in each ear, or one tag and an official Ayrshire tattoo. A designated area for a photograph will be printed on the registration certificate for breeders who would like to continue this practice for their own management purposes. Contact the Ayrshire office for further details at (614) 335-0020 or FAX (614) 335-0023.
